

English

This week, we have started a new book about Puffin Peter and wrote labels and captions for a puffin. We re-read up to halfway and predicted what would happen and continued the story with our ideas. We were working hard on remembering to use capital letters, finger spaces and full stops for each sentence.

Science

This week, we continued our topic 'Seasonal Changes: autumn to winter.' We were learning how things change between the seasons and described the weather associated with autumn and winter.

PE

We have continued our topic of Target Games this week in P.E. We further developed our underarm throw of a beanbag into a target. We also put all our skills into practise in small-sided group games. We had individual races against other children which put both our underarm throwing into a target and running speed into action.

Italian

We have been learning different words in Italian that give instructions. We have then joined words to the matching pictures such as 'Saluta,' 'Scrivi,' 'ascolta' and seduto.

Reception Tie Ceremony

Today we had the pleasure of going to church to attend the Reception Class Tie Ceremony. We really enjoyed joining in with the hymns and seeing our Reception Class friends receive their very special tie welcoming them into our school.

Maths

We have been learning a lot about finding one more and one less than a given number. We practised writing addition and subtraction number sentences to show one more and one less. We have also used bar models and the part-whole model to represent this concept pictorially.

PSHE

We have been learning about how our views are valued by others and how it feels to be proud of an achievement both in school and out of school.

Year 1 Autumn Term 25.09.2026

Golden Book

This week, the Golden Book award goes to

Reo

For his fantastic listening and sitting on the carpet during every lesson, always being ready and fully engaged with his learning.

Spellings and Homework

- Boy
- Joy
- Toy
- Enjoy
- Coin
- Join
- Point
- Soil
- Have
- Like

The children are to write these words in a sentence in their homework book.

This week we have begun our Phase 5 phonics sounds:

ai and ay.

We will also continue practising our Phase 3 and Phase 4 sounds.

Other Homework:

Please read and record this in their reading record book.

Please note our Religious Education homework on additional page.

Children are to draw a picture or use creative materials to show what God made on each day.

Geography

This week, we continued our topic of 'Our Local Area.' We were thinking about what we see in our local area. We were also describing where certain places are on a map. We created a route on a map and described the route using key words.

Music

This week in Music we were continued learning to sing and play instruments exploring pulse and tempo. We set a tempo (the speed) and helped each other to stay in time using actions, which included using instruments.

RE

This week we have continued our Religious Education topic of 'Creation and Covenant.' We thought about how God is our Father who made heaven and earth and we painted what we would imagine heaven to look like. We also thought about the first line of the Nicene Creed and what all the words mean, drawing symbols to show their meaning.

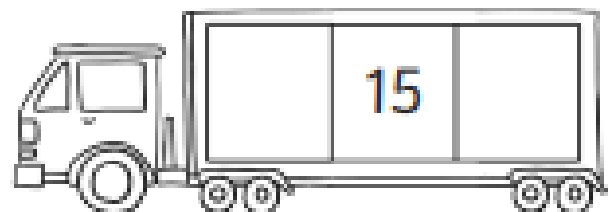

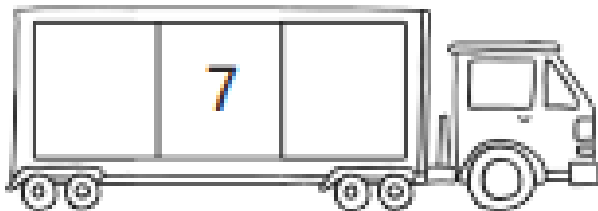

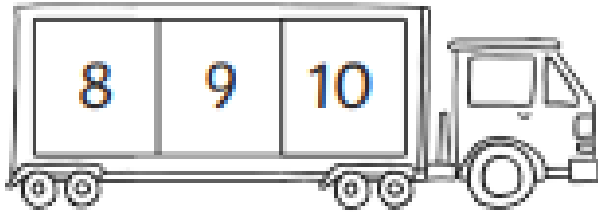

Design and Technology

In Design and Technology, we have continued our topic this half term of 'Dips and Dippers'. We found out about different food groups and what ingredients go into each group.

One More, One Less

Number Writing Sheet

Write the numbers that come before and after.

Day One

Day Two

Day Three

Light and Dark

Sky and Sea

Land and People

Day Six

Day Four

Day

Five

**Animals and
People**

Birds and Plants

**Sun, Moon and
Stars**
