Friday 21st April 2023

Dear Parents and Carers,

As you will be aware, our **Home School Learning Partnership Workshops** that we provide each year are integral for you as your child's primary educator.

Our next Home School Learning Partnership Workshop, '**RSE and PSHE**', takes place on **Wednesday 26th April** from **2.30 to 3pm**. You will be able to see RSE in action so that you will have a better understanding about your child's learning and the knowledge and skills they will develop, as well as the opportunity to participate in a task with your child.

Please note this is a longer session in order to allow parents to visit more than one child's class. This way you will be able to spend 15 minutes in two separate classes. If you have three or more children, please feel free to bring another family member to attend to support you. If you are unable to attend, a whole school PowerPoint will be uploaded onto your class Teams page which will give information about the content of RSE that is taught as well as details of the online parent platform so that you, as parents and carers, can engage with the teaching and deepen the experience for your child at home.

We are looking forward to welcoming you as we continue with our Home/School Learning Partnership sessions. This event is a great way to engage with your child's learning, as you are able to see what RSE and PSHE looks like for your child in their year group which will help you to assist your child's learning at home.

Please may we remind you that the use of mobile phones or any other device to take photographs or videos during the workshop is not permitted, so please ensure your phone is at least on silent, if not turned off.

We look forward to providing you with a better understanding of the content of RSE and PSHE taught in our school.

Yours sincerely

Mrs G Napier
