

THE KEY FRANCISCAN VALUES

These should underpin our vision and the ethos we wish to create for *everyone* within St. Augustine's Catholic Primary School – in all that we do – *every decision, every action*.

CREATING A CARING COMMUNITY

- We listen to each other's concerns.
- We have assemblies where we celebrate each other's achievements.
- We respect our friends, teachers and everyone in our community no matter who they are.
- We follow our Golden Rule: Treat others the way you would like to be treated.

SHARING COMPASSION FOR OTHERS

- We live out the Common Good by reflecting on the Wednesday Word and Wondering Questions each week.
- The Chaplaincy Team, School Council and Eco Council raise money for local, national and international charities for the Common Good of all.

REVERENCE FOR CREATION

- We have concern and stewardship for God's creation and take care of our school environment.
- In class activities are organised to reuse items such as cardboard boxes or plastic bottles as part of tasks set in lessons to create responsible, reflective and resilient citizens for the future.
- We look after the local environment and school resources including recycling bins in each classroom.
- Flower beds are located throughout the school and gardening tyres are allocated to each class to help the environment and wildlife.

PEACEMAKING

- Work as part of a team such as in Sports Day or when working with others during lessons on a group activity.
- Help each other when they are struggling so they are not worried or concerned and use our worry boxes.
- Every class pupil looks out for those who need help throughout the day.
- We promote mental health and wellbeing, RSE and saying sorry and have weekly PSHCE assemblies.
