

English

This week, we have been completing our topic using the book called 'Jasper's Beanstalk'. We planned a non-fiction piece of writing; giving instructions for how to plant a seed. We learnt how to edit and improve our work using our KS1 marking codes and then we published our work in our best handwriting.

Science

This week, we continued our topic 'Seasonal Changes: autumn to winter.'

We were learning to identify seasonal changes. We also named some signs of autumn as well as spotted seasonal changes at school.

PE

We have continued our new topic of Target Games this week in P.E. We further developed our underarm throw of a beanbag towards a target. As well as this, we were practising our accuracy of placing and picking up a beanbag into target hoops that were spread across the playground in a running race against children from another group.

Italian

We continued practising how to say hello and our name with our Italian teacher: Mi Chiamo ... Then replying by asking 'E tu?' We learned a hello song to sing at the beginning.

Computing

This week in Computing, we started our half term about 'Computer systems and networks and technology around us. We identified technology within our classroom and thought about how this technology can help us with our learning.

RE

This week we have continued our Religious Education topic of 'Creation and Covenant.' We re-read the Creation story from Genesis and thought more about its meaning, including how it can be considered a reflective and poetic text. We created our own paper plate Creation stories which we can use to retell the story ourselves.

Maths

We have been learning a lot about number and how to subitise. We have been looking at how to make numbers up to 20 with different objects and in different representations. We looked at how the same number can be represented in different ways on a tens frame.

PSHE

We have been learning about our rights and responsibilities as a member of our class and thinking about how we learn best.
