

English

This week, we finished reading *Frog and the Stranger* and completed a final version of our own narratives based on the book. Then we practised reading our stories aloud to our friends. We have now started our new book *How to Make Friends with a Ghost*. We will be focusing on writing instructions and identifying verbs.

Science

This week, we went outside to identify different materials and their uses. We also described the different materials using scientific vocabulary.

Computing

This week, we identified information technology in the school and sorted it by its use.

History

This week, we looked at cars and how they have changed over time.

Art

In Art, we painted our clay sculptures.

PSHE

This week, we spoke about how we can make sure our class is a safe and fair place for all. The children thought about rewards and consequences that we could use in class.

Maths

This week we have been looking at finding the difference between two numbers. We have been practising using key words such as more, less and greater to describe and compare numbers.

Music

This week, we continued our new unit of work *Folksong*. We continued to identify the pulse and explore key features of folk songs.

RE

This week, we read Genesis 9:7-17. In our first lesson, we practised reading the story and created props to help us retell it.

Then Father Julian visited us on Tuesday. Father Julian spoke about the importance of the rainbow in this story and how it represents God's covenant with Noah.

PE

This week, we have continued to develop our team building skills by playing a range of games.
