

English

This week we have written the ending, published our piece of work and begun a discussion as to how we could adapt the story. From the brilliant ideas discussed, the children have now planned their adaptation ready to write next week - please ask your child to retell you their story!

Science

This week we have been looking at the properties of rocks.

Atom Learning

Congratulations to Luca who managed to get the most correct answers this week on Atom Learning.

If you require further information about Atom Learning, please have a look at the link below

<https://www.youtube.com/watch?v=Z8Fej8WkAWI>

PSHE/RSE

This week we learnt about how our feelings can change as we grow.

Computing

We have been looking at inputs and outputs and designing a machine using an input - process - output

RE

This week have been looking deeper at Genesis 1 and how it has a repeating structure. We have also looked at how God made us in his image.

Maths

This week have been looking at rounding and place value in the context of measurement. We have looked at the vocabulary of units of measurement and have used a ruler to measure accurately.

Music

In music we have been continuing our unit of Greek Myths

Year 3 Autumn Term

26.9.25

Guided Reading

This week we have been reading a story based in Ancient Egypt. Using reciprocal reading, we have been working in groups, reading the text and following the roles assigned to us.

PE - Earrings

Please can you ensure that children are not wearing earrings on PE days - they need to be either removed or alternatively taped. Thank you!
