

English

In English this week the children have completed the draft of their Non-Chronological Report. They have begun carefully editing and improving their writing ready to publish it next week. An art homework designing the front cover of the class anthology has been set. This should include a drawing of their own monster.

Science

In science this week, the children have been learning about the changes which occur during puberty and adolescence.

Computing

The children have been learning about inputs and outputs and had the opportunity to design a digital teddy bear.

RE

In RE this week the children have continued to deepen their learning about the Ten Commandments and Virtues. We have then looked at the Commandments in relation to the summary of law.

Homework - Due Friday 24th October. The children are to create a piece of art using materials from outside ie twigs, leaves etc and they can draw too. They are to create representing Care & Creation: an image of the burning bush, Mount Sinai, or The 10 Commandments or a combination. It should be A5 size and we will create a class collage.

Maths

The children have continued to learn about negative numbers, applying their knowledge to some reasoning questions. We have now moved onto the topic of decimals. The children have been using a 100 square looking at the value of each square in terms of a decimal and the fraction equivalent.

Year 5

Autumn Term

03.10.2025

Guided Reading

The children have been given a specific role within the reciprocal reading format (predictor, clarifier, summariser, leader, and questioner). They have enjoyed the roles they have been given, and in their small teams have written a selection of questions which were answered by all.

Class Books

The World of Unknown Monsters
Mythical Beasts & Magical Creatures

Spellings and Homework:

Read daily, Atom weekly homework, daily Rockstars.

Suffixes: curiosity, identity, variety, walking, shouted, longest, hoping, Dancing, exaggerated, Replied, copied, happiest, forgetting, referred, preferred

I recommend having a look at BBC Bitesize, Spelling. There are games to play to help the children practice spelling and revise the spelling rules.

Golden Book:

Olivia

Art

The children had a wonderful time in Art this week creating a mask made out of clay. The children successfully transferred their mask design into a 3D clay mask. Whilst creating their masks the children learnt how to score and slip.

Music

In Music this week the children have been learning about rhythms and polyrhythms in African music. The children enjoyed their performance.
