

Prevent Risk Assessment

Name of Educational Establishment:	St Augustine's Catholic Primary School
DSL Prevent Lead:	Mrs Joanne Walsh
Date DSL Prevent Lead HCC Train the Trainer session attended:	19th November 2024

Introduction

All educational establishments are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 (the CTSA 2015), in the exercise of their functions, to have “due regard to the need to prevent people supporting terrorism or becoming terrorists”. This duty is known as the Prevent duty.

Staff in the education sector are particularly important as they are able to identify concerns early and provide help for students, staff and parents to prevent concerns from escalating. Educational establishments and their staff form part of the wider safeguarding system for students. This system is described in statutory guidance Working Together to Safeguard Children (December 2023) and Keeping Children Safe in Education (September 2023)

Educational establishments should work with Children's Services, the Police, Health Services, and other services to promote the welfare of students and protect them from harm.

Radicalisation is listed as a specific safeguarding issue within this statutory guidance and is addressed within the Government Prevent Strategy.

The Prevent Strategy has three main objectives:

1. Tackle the causes of radicalisation and respond to the ideological challenges of terrorism
2. Safeguard and support those most at risk of radicalisation through early intervention, identifying them and offering support
3. Enable those who have already engaged in terrorism to disengage and rehabilitate

The Prevent duty should be seen as part of the education sector's wider safeguarding obligations. Designated Safeguarding Leads and other senior leaders in educational establishments should familiarise themselves with the revised Prevent duty guidance especially paragraphs 141-210, which are specifically concerned with education.

The key themes for the education sector within the Prevent duty guidance include:

- Leadership and Partnership
- Risk Assessment
- Sharing Information
- Reducing Permissive Environments (IT Policies / External Speakers)
- Monitoring and Assurance
