

## English

This week in English, we started our new topic on newspaper reports using our book Real Life Mysteries. We explored mysterious stories such as Bigfoot and deep-sea monsters like the Kraken, thinking about how these could be reported in a newspaper.

## Science

This week in science, we explored habitats and how living things are adapted to survive in them. We also learned about how habitats are being destroyed and the impact this has on living things.

## Computing

This week in computing, we finished our online safety lesson by learning how to be responsible digital citizens. We then started our new topic on data and information.

## RSE/PSHE

This week in PSHE, we explored how dreams and goals are formed and what steps we can take to achieve them. We also discussed how they can be influenced or affected by other people and how to stay focused on reaching them.

## PE

This week in PE, we started our new gymnastics topic. We practised independent and partner balances, as well as different lands and balances using the apparatus.

## Art

Not completed. Due to Inset Day.

## Maths

This week in maths, we explored measuring mass, capacity and length, using different units and equipment. We then finished the week by learning how to add time to another time and work out new times.

## Music

This week in music, we started our new topic of Samba. We began by listening to different Samba pieces and appraising them, thinking about the rhythms, instruments, and overall feel of the music.

## Year 4 - Spring Term 1

6.1.26 - 9.1.26

Saint Moses  
the Strong

## Golden Book

Gianni

## Geography

Not completed due to Mass.

## RE

This week in RE, we went to Mass and completed our Catholic Social Teaching lesson on solidarity and peace. We learned about Fairtrade and how it helps workers and farmers around the world by ensuring they are treated fairly and receive a fair price for their work.
