

English

This week in English, we started writing our own introductions for our speeches, thinking about how to grab the reader's attention. We also explored different tenses in SPAG, learning how to use past, present, and future forms correctly in our writing.

Science

This week in science, we explored classification keys. We looked at which types of questions should and should not be used. We then created our very own classification keys using marine animals.

Computing

We explored the World Wide Web in our computing lesson.

PSHE/RSE

This week in PSHE, we celebrated Mental Health Week. On Friday, we spent the whole day, thinking about and learning ways to look after our mental health, exploring activities and ideas to help us feel happy and calm.

D&T

PE

This week in PE, we explored the states of matter through dance. We used our movements, shapes, and space to show how solids, liquids, and gases behave, thinking about direction, speed, and flow to represent each state.

Maths

This week in maths, we focused on subtraction and explored ways to make it more efficient. We practised different methods to solve subtraction problems quickly and accurately, thinking carefully about which strategy worked best in each situation. We also learned how to use the inverse operation.

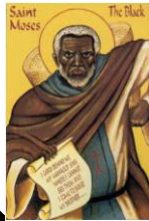

Music

In Music, we explored the Pentatonic Scale by writing notation and reading it to play the Glockenspiels.

Year 4 - Autumn Term

I

5.10.26-9.10.26

Special Events

This week we had a fantastic visit from Father Julian where he helped us understand the theological virtues much clearer. We also celebrated Mental Health Week with a biscuit and some juice. Finally, we created a portrait picture online for Black History Month to show the significance of some black athletes and musicians.

Next week...

We have a very exciting week coming up:
- ASSESSMENT WEEK

Spellings and Homework

In Spellings next week, we will explore the rules for applying the suffixes: -ment, -less, -ful and -ness.

Spelling Test Words for Next Week:

Assessment Week

Other Homework:

- TTRS - 3 times a week for more than 5 minutes.
- Tables Check Online Practice.
- See homework set on Atom Learning.

Golden Book

Ronnie

History

This week in history, we explored Boudicca and her actions. We learned about who she was, how she led the Iceni tribe in a revolt against the Romans, and the impact of her bravery and leadership.

RE

This week in RE, we explored the theological virtues of faith, hope and love. We discovered how Abraham showed these during key moments of his covenant with God. In addition, we linked these virtues to our lives. Finally, we explored how Abraham has created the words we say in our prayers through his conversations with God.
