

## English

This week in English, we wrote the first drafts of our newspaper reports based on our own mysteries. We also started a new topic on travel leaflets, learning about their purpose and features.

## Science

This week in science, we finished our topic on animals including humans by learning how humans have caused some animals to become endangered and how people can help protect them from going extinct.

## Computing

This week in computing, we started our new topic on data by exploring different examples of online data and how it is collected and shown in tables.

## RSE/PSHE

This week in PSHE, we explored creating new dreams. We learned how to make a new plan and set new goals even after feeling disappointed, and we discussed what it means to be resilient and have a positive attitude.

## PE

This week in PE, we practised different rolls in gymnastics and worked on inverted balances, focusing on control and body strength.

## D&T

Not completed.

## Maths

This week in maths, we explored line graphs and practised plotting data. We compared bar charts and line graphs, learning that bar charts compare amounts, while line graphs show changes over time.

## Music

Not completed.

## Geography

This week in geography, we studied different settlements in the UK using maps and atlases. We used place-name suffixes to work out whether areas were first settled by the Anglo-Saxons, Vikings, or Romans.

## RE

This week in RE, we explored Peter's confession in more detail and learned more about Jesus as the Messiah, thinking about why Peter recognised Him and what this reveals about Jesus' identity and role.
