

## English

This week in English, we started our new poetry topic by reading *The Small Dragon*. We explored the poem and discussed its ideas and language. After that, we designed our own dragons, thinking carefully about their appearance and personality.

## Science

This week in science, we explored how the rate of evaporation can change. We carried out an experiment using socks to see how different conditions, like temperature or airflow, affected how quickly water evaporated.

## RSE/PSHE

Did not complete - finished topic.

## D&T

This week in D&T, Mr Carjan came in and taught us how to make pizza. He gave us helpful tips for preparing and cooking them, and we got to taste test different pizzas to see which flavours we liked best.

## PE

This week in PE, we finished our dance topic by practising the Twist style of dance.

## Computing

This week in computing, we explored how to use web search engines. We learned how to type effective keywords, find reliable information, and check that the websites we use are trustworthy.

## Maths

This week in maths, we explored how to multiply and divide by 1 and 0. We learned that any number multiplied by 1 stays the same, and any number multiplied by 0 becomes 0. We also discovered that when you divide a number by 1, the answer stays the same, but you can't divide any number by 0.

## Music

This week in music, we practised composing using the pentatonic scale.

## Year 4 - Autumn Term

1

0.25-24.10.25

**Saint Moses  
the Strong**

## Special Events

This week in special events, we celebrated Black History Month in geography and computing, learning about inspiring figures. We also enjoyed a Bring and Buy Sale on Friday, organised by Mrs Turner, to raise funds for our lunchtime equipment.

## Next week...

We have a very exciting week coming  
up:  
- HALF TERM

## Spellings and Homework

In Spellings next week, we will explore the rules for applying the suffixes: -ly  
Spelling Test Words for Next Week:

## Other Homework:

- TTRS - 3 times a week for more than 5 minutes.
- Tables Check Online Practice.
- See homework set on Atom Learning.

## Golden Book

**Aaron**

## Geography

This week in geography, we celebrated Black History Month by learning about Wangari Maathai and Gitanjali Rao. We explored their achievements and how they made a positive impact on the world through their work in the environment and science.

## RE

This week in RE, we explored how Abraham and Cardinal Manning are important figures at the root of our Catholic faith. We learned how both of them showed the virtues of love, faith, and hope in their lives and actions.
