

English

We wrote the first drafts of our non-chronological reports (fact files) about play. We chose a game to promote and explained why playing games is a healthy and enjoyable alternative to spending too much time using technology.

Science

We finished our Animals Including Humans topic by exploring different types of animal teeth. We examined how the shape and size of teeth can help us identify whether an animal is a carnivore, herbivore, or omnivore, and explained how their teeth are adapted to their diets.

D&T

We continued our battery-operated lights topic by exploring electrical circuits. We investigated different types of switches and considered which would be most suitable for our products to help us meet our design criteria.

RSE/PSHE

We explored puberty and learned about some of the physical and emotional changes that can happen as children grow older.

PE

We practised for Sports Day by taking part in a variety of races. We focused on improving our speed, technique, and teamwork while preparing for the different events that will take place on the day.

Computing

Maths

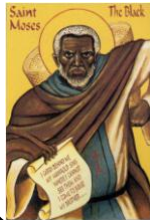

We finished our topic on symmetry. We explored the properties of quadrilaterals and investigated which shapes are symmetrical. We identified and drew lines of symmetry and used our knowledge to explain why some shapes have more lines of symmetry than others.

Music

We started our new topic, Rivers. We explored the pentatonic scale, a five-note scale used in music around the world. We listened to how it sounded and practised playing simple melodies using the notes.

Year 4 - Summer Term 2

1.6.26 - 5.6.26

Saint Moses the Strong

Special Events

We celebrated Sports Day on Friday. Everyone showed fantastic determination, teamwork, and sportsmanship throughout the day. Congratulations to St Augustine's Green House, who were crowned the overall winners after a brilliant performance across all the events!

Next week...

We have a very exciting week coming up:

- Weds - 2nd Round of the Talent Show.
- Thurs - Year 4 Vs Year 5 Cricket Tournament @school.

Spellings and Homework

In Spellings, next week's topic will be about words that have the 'sc' grapheme but with the Latin Origin.

Spelling Test Words for Next Week:

1. science
2. scene
3. disciple
4. discipline
5. fascinate
6. crescent
7. descend
8. ascend
9. scientist
10. scissors

Year 3 & 4 Statutory Words:

11. occasion
12. stranger
13. busy
14. eighth
15. forward

Other Homework:

- TTRS - 3 times a week for more than 5 minutes.
- Tables Check Online Practice.
- See homework set on Atom Learning.

Golden Book

Valentina

History

We explored the Georgian period and learned about highwaymen, particularly the famous Dick Turpin. We investigated what life was like during this time, why highway robbery was common, and how Dick Turpin became one of the most well-known figures in British crime history.

RE

We explored the Communion of Saints and learned about how all Christians are united through faith. We also discovered that Mary has many special titles, including Mother of Jesus and Queen of Heaven, and discussed why she is so important to Christians.
