

English

We began creating a character for our sequel to Leon and the Place Between. We also planned the plot of our story using a story map, helping us organise the main events and ideas for our sequel.

Science

We learned about Thomas Edison and how his inventions link to our topic of sound. We explored how he created the phonograph, one of the first machines that could record and play back sound.

D&T

We continued stitching our juggling balls carefully, making sure our sewing was neat and secure. We then decided what to fill them with, choosing between rice, sand, beans or lentils.

RSE/PSHE

We explored group dynamics and discussed how people work together in groups, including how to cooperate, share ideas, and respect each other.

PE

We completed the qualifying rounds for our athletics events, including javelin, shot put, hammer throw, and long jump.

Computing

We used the computers to research facts to help answer our scientific enquiry questions. For example, we investigated how animals use echolocation and gathered information from different online sources to support our learning.

Maths

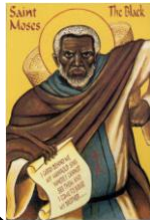

We learned how to subtract fractions from whole numbers and how to find fractions of quantities. We practiced converting whole numbers into fractions and used division and multiplication to help us solve problems. We are becoming more confident when working with fractions.

Music

EASTER PLAY

Year 4 - Spring Term 2

9.3.26 - 13.3.26

Saint Moses the Strong

Special Events

This week we celebrated Science Week by taking part in some amazing workshops. We also enjoyed watching a Rocksteady concert, where we saw children perform and share their music.

Next week...

We have a very exciting week coming up:

16th - Judaism Week

18th - Judaism Workshop

20th - Reports Sent Out

-

Spellings and Homework

In Spellings, next week's topic will be about suffixes that begin with vowel letters.

Spelling Test Words for Next Week:

1. beginning
2. gardener
3. exciting
4. preferred
5. forgotten
6. limiting
7. referred
8. limitation
9. hoping
10. amusing

Year 3 & 4 Statutory Spellings:

11. possible
12. woman
13. describe
14. increase
15. potatoes
16. Other Homework:

- TTRS - 3 times a week for more than 5 minutes.
- Tables Check Online Practice.
- See homework set on Atom

Golden Book

Liana

History

We started our new topic on the Anglo-Saxons and Vikings. We focused on the first Viking raid on Lindisfarne, learning what happened and how it affected the people living there. This helped us understand the impact of Viking invasions on Anglo-Saxon life.

RE

We explored the scripture of the Parable of the Sheep and the Goats and discussed its meaning. We also studied an artwork by Sieger Köder and explored how the story and its message are represented in the painting.
