

English

This week in English, we finished writing our own graphic novels inspired by Arthur and the Golden Rope. We also learnt about conjunctions, focusing on how to use them accurately to link our ideas and improve our sentences.

Science

This week in science, we learned about the five main groups of vertebrates. We explored the characteristics of mammals, birds, fish, reptiles, and amphibians and discussed what makes each group unique.

D&T

PSHE/RSE

This week in PSHE, we explored our Learning Charter. We learned how democracy and having a voice can benefit the school community. We also discussed why following the Learning Charter helps everyone in our school.

Computing

PE

This week in PE, in dance we moved on to learning the salsa, practising the steps and rhythm. In OAA (Outdoor and Adventurous Activities), we focused on developing our observational skills, listening carefully to others, and following instructions.

Maths

This week in maths, we explored mental addition and subtraction in more detail. We focused on using the equal difference method. We explored how we can either add or subtract the same number from each side and still end with the same answer.

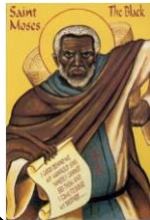

Music

This week in music, we explored the pentatonic scale. We learned that it is made up of five notes.
