

English

We continued writing our fictional adventure narratives inspired by *The Girl Who Stole an Elephant*. We developed our stories by describing exciting settings, introducing action and dialogue, and building suspense for the reader.

Science

We explored the difference between complete and incomplete electrical circuits, investigating what is needed to make a bulb light or a buzzer sound. We also learned about conductors and insulators, testing a variety of materials to discover which allow electricity to pass through and which do not.

Art

We explored the life and artwork of Michelangelo, focusing on his incredible paintings on the ceiling of the Sistine Chapel. We learned how he painted while working high above the ground and explored the challenges he faced during this remarkable project.

RSE/PSHE

PE

We finished our hockey topic by taking part in a class tournament. We applied the skills we have developed over the term, including dribbling, passing, tackling, shooting and teamwork, in competitive matches.

Computing

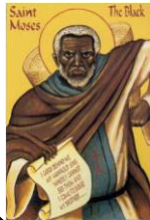

Maths

We explored different types of triangles, learning how to identify and compare equilateral, isosceles and scalene triangles. We also investigated the different types of angles found within triangles and used mathematical vocabulary to describe their properties.

Music

Year 4 - Summer Term 2

29.6.26 - 3.7.26

Saint Moses the Strong

Special Events

We enjoyed a visit from Rise Theatre, who performed their production of *Treasure Within*. Through drama, music and audience participation, we explored the themes of Catholic Social Teaching, discovering that every person is created in the image of God and has unique gifts and talents.

Next week...

We have a very exciting week coming up:

- Monday - Parents Consultations
- Tuesday - District Sports
- Wednesday - Year 6 Leavers Play
- Thursday - Transition Day
- Friday - School Fair

RE

We explored how love, hope and faith are at the heart of St Paul's teaching in his letter to the Corinthians. We discussed why these Christian virtues are important in our daily lives and how they help us to follow Jesus' example. We were also delighted to welcome Bishop Paul to our school, who spoke to us about his faith, his mission as a bishop and how we can live out the Gospel through our words and actions.

Spellings and Homework

In *Spellings*, next week's topic will be going over Year 3/4 Statutory Words they spelt incorrectly.

Spelling Test Words for Next Week:

Other Homework:

- TTRS - 3 times a week for more than 5 minutes.
- Tables Check Online Practice.
- See homework set on Atom Learning.
