

English

This week in English, we explored dialogue and how it can show characters' thoughts and feelings.

We also practised setting descriptions, using words to bring places to life.

Science

We explored sound and pitch by making our own pan pipes. We learned how the length of the pipes can change the pitch, with shorter pipes making higher sounds and longer pipes making lower sounds.

D&T

We continued stitching our juggling balls carefully, making sure our sewing was neat and secure. We then decided what to fill them with, choosing between rice, sand, beans or lentils.

RSE/PSHE

We started our new topic called Healthy Me. We explored what it means to stay healthy, including making good choices for our body and mind. We also discussed habits that help us feel good and stay safe every day.

PE

This week in PE, we started practising athletics for our class Olympics, focusing on events like the 200 metres sprint, long jump and javelin throw.

Computing

We finished our Data and Information topic by creating line graphs in Excel to display and interpret data. We also started a new topic on internet safety, learning how to spot fake information online and stay safe while using the internet.

Maths

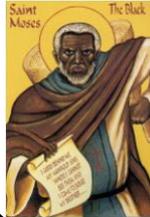

This week in maths, we started our topic on fractions. We learned about complements of 1, finding fractions that add up to make a whole. We also practised adding and subtracting fractions, mainly with the same denominator.

Music

EASTER PLAY

Year 4 - Spring Term 2

2.3.26 - 6.3.26

Saint Moses the Strong

Special Events

For World Book Day, in English we summarised key scenes from Alice in Wonderland, focusing on the main events and characters. We also completed a book-themed scavenger hunt, exploring clues and activities based on different stories and books.

Next week...

We have a very exciting week coming up:

- 9th - Science Week
- Workshops on Monday and Wednesday.
-

Spellings and Homework

In Spellings, next week's topic will be about suffixes: -ous.

Spelling Test Words for Next Week:

1. anxious
2. hideous
3. marvellous
4. continuous

13. therefore
14. decide
15. imagine

Other Homework:

- TTRS - 3 times a week for more than 5 minutes.
- Tables Check Online Practice.
- See homework set on Atom Learning.

Golden Book

Luca C

History

We started our new topic on the Anglo-Saxons and Vikings. We focused on the first Viking raid on Lindisfarne, learning what happened and how it affected the people living there. This helped us understand the impact of Viking invasions on Anglo-Saxon life.

RE

We started our new topic Desert to Galilee and looked at the story of the Prodigal Son. We explored the different interactions in the story and how they show forgiveness and love. We were inspired by different artists and painted our own pictures based on the events and emotions in the story.
