

English

This week we continued with our text - Alice in Wonderland. We have written described the Mad Hatters Tea Party, written a character description of the Queen of Hearts and began to think about how we could adapt the story for our own piece of writing next week.

Science

This week, we have been looking the role of reflection. That light travels in straight lines and reflects back to through our pupil and sends messages to our brain.

RE

This week we have looked at the parable of the Sower and understood that Jesus used the seed as a symbol for God's word. From this we know that we need to have good soil to grow God's Kingdom. We then looked at the parable of the Yeast and compared what we learned from both.

PSHE/RSE

This week we looked at how to be a motivated and enthusiastic when things are challenging.

Computing

This week created our own online branching databases using what we have learned in previous lessons.

Art

This week we continued a drawing with coloured pencil.

Maths

In maths we have looked at how to double and half, the associative and distribution laws, and how to multiply numbers outside of our understanding using repeated addition and formal methods.

Music

We have written our own rhythms using paired quaver, crochets and crochet rests.

Year 3 Spring Term

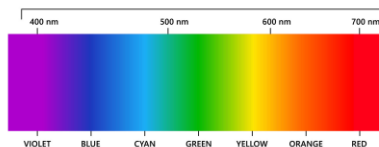

30.01.26

Guided Reading

This week, through reciprocal reading, we read an extract based on **What is Light?** From this we have predicted, summarised and clarified the meaning of words.

The children have then posed questions for each other which they have answered in their books.

VISIBLE SPECTRUM

RE Homework

We have had some excellent pieces of work in about Saints that are Peacemakers. This homework is due by the end of the term.

Spellings and Homework

- using -al

- metal
- pedal
- magical
- capital
- animal
- comical
