

## English

This week we began writing our instructions to follow the magical quest we have created. We have drawn our path, added imperative verbs, adverbs and prepositions to the plan and written our first paragraph.

## Science

In science this week we took a stroll to Barclay Park in honour of Sir David Attenboroughs 100<sup>th</sup> birthday. We used our senses to access the natural beauty of the world around us.

## RE

This week we made connections with what Jesus commanded in the Great Commission and how we are instructed to leave Mass today. We also looked at the role of Mary - as it is the month of Mary, how she was present at the start of Christian fellowship and an integral part of Christ's story.

## PSHE/RSE

This week we have been looking at how Jesus is our friend and the importance of forgiveness.

## Computing

This week we have been looking at how to keep our online information private.

## Art

This week in Art, we have designed a new landscape for Mr and Mrs Andrews, a couple who are featured in a painting by Thomas Gainsborough.

## Maths

This week we have looked at long division. We began looking at single digits, moving to tens and ones without regrouping. Finally we used the same procedure to calculate when regrouping is necessary.

## Music

No music lesson this due to the Bank Holiday.

## Year 3 Summer Term

8.5.26

## Guided Reading

This week, through reciprocal reading, we read an extract based on **Magnetism**. From this we have predicted, summarised and clarified the meaning of words.

The children have then posed questions for each other which they have answered in their books

## Holy Communion

Good luck to those who are taking their Holy Communion this Sunday,  
We are very proud of you!

## Golden Book

This week, the Golden Book award goes to

### **Joseph**

For his quiet excellence in class. Joseph, you are an inspiration to us all.

## Geography

In our topic of the UK, we have researched hills and mountains the United Kingdom.

## PE

This week, we are continuing with our topic of rounders.
