

## English

This week we continued our unit based on dialogue. We have created our own narratives involving a disagreement between two characters. We have applied what we have learnt throughout the unit to create our first draft.

## Maths

This week, we have focused on area and perimeter. We have also began learning about the volume. We know that volume is the amount of space inside of an object.

Spellings and Homework- a range of suffixes

1. Logical
2. Wonderful
3. Brighter
4. Funding
5. Tenderness
6. Invention
7. Persuasion
8. Movement
9. Shortly
10. Crafty
11. Measure
12. Fracture
13. Delicious
14. Electrician
15. Station

## Science Week

During Science Week, Year 6 explored the key question: *What is your question?* Our focus was on **Evolution and Inheritance**. We learned about adaptation and how animals have evolved to suit their environments. We also discovered who **Charles Darwin** was and explored his theory of evolution.

In addition to this learning, we were lucky enough to take part in two exciting science workshops. One focused on *marvellous materials* and the other explored *acids*. In both workshops, we carried out experiments and saw science in action.

Year 6

Spring Term 2

13.03.2026

Other Homework:

TTRS

Daily Reading

CGP Books - Test 3

## Guided Reading

This week we read extracts from Diary Entries and Non Chronological reports. We orally rehearsed the text, worked out the meaning of unknown words and answered a range of retrieval, inference and authorial intent questions.

## Golden Book

Daniel

## PSHE /RSE

We continued our new unit based on taking responsibility. This week the focus was on drugs and their effect.

## Computing

No computing due to Science week.

## Geography

This week, we have learnt, and researched, about rivers of the world. We researched the source, mouth, length and discharge of a river from each continent of the world apart from Antarctica.

## RE

This week, we learnt in more depth about the story of Jesus washing his disciples feet. We looked at and analysed artists interpretations of this event.

## PE

Gymnastics and Netball
