

English

This week in English, the children completed their Biographies, edited, and published them. They have now begun their new topic: Persuasive letters.

History

The children continued to learn about Alexander the Great and the impact he had on society in Ancient Greece.

Science Week

The children have enjoyed a fantastic week taking part and observing different experiments. They have learnt about absorption, dry ice and how it is made and reacts to heat. They have also had an amazing opportunity to observe and participate in a heart dissection. In addition to these wonderful activities more time has been allocated to science lessons this week.

Computers

This week the children have been continuing to learn about how to input specific instructions and answering questions to ensure the instructions are inputted correctly. This was then applied practically. Using Crumbles

Maths

The children have learnt how to multiply a fraction this week in maths. They have been multiplying mixed numbers and learnt how to calculate the fraction of an amount, using diagrams to help.
