English

This week we have continued our topic of non-chronological reports. We have planned and drafted our own report made on a made up planet.

Maths

This week we applied our learning on multiplying and dividing by 10, 100 and 1000. We used our place value knowledge to help us with this.

Music

We have continued our topic Electricity.

Science

This week, we investigated the effects of filters. We also looked at Patricia Bath who was an ophthalmologist.

Year 6

Autumn Term

23.10.26

Black History Month

October has been Black History Month. We focused on this year's theme: Honouring our communities. This theme focuses on correcting historical inaccuracies and highlighting the untold success stories. We looked at a range of Black individuals who show excellence in their industries / professionals. These included Mo Farah, Patricia Bath, Ncuti Gatwa and Malorie Blackman.

Guided Reading

We have been reading and answering questions about our new class book 'Letters from the Lighthouse' by Emma Carroll. We have also read non-fiction texts linked to history.

Golden Book

Elena

PSHE /RSE

This week we looked at consequences.

Computing

This week we have looked at shared working.

History

This week we finished our topic of World War II. We learnt about the Holocaust. We reflected on this thinking about the importance of remembrance.

RE

This week, we looked at how our world created a sense of awe and wonder making us thankful. We reflected and celebrated this through creating prayers. We also attended Mass.

Next week...

PE

Hockey and Badminton
