English

This week we researched, drafted, edited and published (with glossaries) our own non-chronological reports based on a made-up planet.

Maths

This week we learned to use efficient mental strategies to add, subtract, multiply and divide. These strategies included place value, partitioning, doubling and halving, equal sum and equal difference.

Spellings and Homework- 'shun' sound

14. Taxonomy
15. Taxonomist

Other Homework:

TTRS
Daily Reading
Homework set on Atom

Science

This week, we learned that there are over ten million species and that taxonomists classify them. We made our own classification keys.

Music

We have continued our topic of Electricity.

Year 6

Autumn Term 2

6.11.2026

Remembrance Sunday

Elena and Herbie are going to lay the wreath at the Clock Tower for Remembrance Sunday, representing St Augustine's with dignity and respect. Their tribute will honour those who served, reflecting remembrance, gratitude, and the unity of our school community. Lest we forget.

Reciprocal Reading

We have been reading, discussing and answering questions about our new Geography unit. We have looked at a text focusing on the Amazing Americas.

Golden Book

Ivy

PSHE/RSE

This week we learnt about being individuals and that everyone is different.

Geography

This week we started our new unit based on the Amazing Americas. We located on a map the countries of South America. We then researched key facts about the two continents.

RE

This week, we focused on Catholic Social Teaching. We focused on Preferential Option for the Poor. We also started our new unit Prophecy and Promise next week. We are looking at female protagonists in the Old Testament.

Next week...
