

English

In English this week, we drafted our balanced arguments based on a topic of our choice. We ensured we used persuasive features.

Maths

This week, we focused on nets of 3D shapes. We have also begun our revision of reasoning questions based on each Maths strand.

Spellings and Homework

1. Omission

CGP Books
Times Table Rockstars
Daily Reading

Science

This week we continued our unit 'Evolution and inheritance'. We focused on fossilisation. We looked at how fossils are formed, created our own fossils, and then learnt about how they have helped with our understanding of evolution.

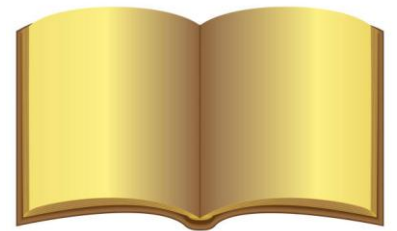

No PSHE

Guided Reading

This week, we read a range of texts focusing on vocabulary, scimming and scanning and answering comprehension questions. We have also been completing a 10 minute reading comprehension test each morning during registration.

Golden Book

Olivia

Geography

This week, we learnt about the process of erosion and deposition. We replicated this by creating our own model rivers out of sand and pouring water.

Computing

We continued our topic of spread sheets.

RE

This week, we have explored the Catholic Social Teaching Principal Dignity of Workers. We explored Fair Trade and drafted letters to a local supermarket to persuade them to stock more Fair-Trade products.

SATS revision

We have been revising for SATS each afternoon. We have focused on Reading, Grammar and Reasoning. We have also focused on commonly misspelt words.

PE

Cricket and Football
