

English

In English this week, the children have planned their completed their Non Chronological Report ready to write the first draft. They have designed their creature and thought purposefully about its attributes.

Computers

In computers the children have been learning about systems. They are learning how to develop their understanding of components working together to make a whole.

PSHE: The children have been learning about the rights of children.

RE

This week the children have been learning about the Sinai Covenant. They learnt the sequence of events that led to the Sinai Covenant and the agreement of the Israelites. The children also reflected on how the Ten Commandments help people live good and happy lives. Reflect on what makes us truly happy and how rules and love support this.

R.E: Homework

The children are to create a 2-sided drawing of creation on the triangles provided to create bunting, which will decorate the Prayer Garden.

Maths

This week in maths, the children have been learning about rounding. They can now round in 10's., 100's and 1000's. The larger the number the more difficult it is apply the rules and the children continue to strengthen this knowledge.
