English

This week we continued our focus on narrative writing based on the book 'Wisp: A story of hope'. We have varied the rhythm of our writing by using different types of clauses.

Maths

This week, we have focused on the properties of number. We have focused on common factors and multiples and applied our learning to solve reasoning-based questions.

Other Homework:

TTRS
Daily Reading
Homework set on Atom
Arithmetic Sheet

Science

This week, we learned about Carl Linnaeus' classification system. We classified animals using this system.

Music

We have continued our topic of Cultural. We looked at the key features and instruments.

International Men's Day

This week, we celebrate the men and boys in our lives – their contributions, their kindness, their courage, and the many roles they take on every day. International Men's Day reminds us to recognise positive role models and to support the wellbeing of all men, everywhere.

Year 6

Autumn Term 2

20.11.2026

Reciprocal Reading

This week we have read about Carl Linnaeus who is often referred to as the 'Father of Taxonomy'. We also read and answered quesitons on the poem 'Granny'.

Golden Book

Sofia

PSHE/RSE

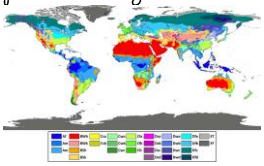

We took part in a workshop 'GAMFAM' to learn about gambling. We also learnt about bullying.

Computing

We started our programming topic.

Geography

We continued our unit based on the Amazing Americas. We learnt about the climates and biomes in different regions of the Americas. We used the Koppen Climate Classification system to do this.

RE

This week, we focused on Hannah and Miriam, two important female protagonists in the Bible. Hannah is known for her deep faith, praying to God for a child and becoming the mother of Samuel, showing devotion and trust throughout difficult times. Miriam is a courageous leader who protected Moses and later celebrated the Israelites' freedom with praise.

RE Workshop

Year 6 took part in a Hinduism workshop exploring Diwali, the festival of lights. Pupils learned the traditional story of Rama and Sita and discussed the theme of light overcoming darkness. To finish the session, everyone shaped and decorated their own clay diya lamps to celebrate the festival.
