

## English

In English this week, we read and learnt about the key features of Advocacy Poems focusing on the book: Be the change - Poems to help you save the world. We then drafted our own advocacy poems based on saving the environment.

## Earth Day

Earth Day is an annual event celebrated on April 22nd, aiming to raise awareness about environmental issues and encourage people to take action to protect the planet.

## Science

This week we continued our unit 'Evolution and inheritance'. We focused on fossilisation. We looked at how fossils are formed, created our own fossils, and then learnt about how they have helped with our understanding of evolution.

## PSHE /RSE

## Computing

We continued our topic of spread sheets.

## RE

This week, we have explored the key events of Holy Week according to John and thought about the deeper meaning. We created a timeline to show these events.

## Maths

This week, we focused on formulas and writing expressions. We have also begun our revision of reasoning questions based on each Maths strand.

## Music

We continued our new topic of WWII. We focused on melodies.

## Year 6

### Spring Term 2

24.04.2026

## Guided Reading

This week, we read a range of texts including: festivals around the world and about Sewer systems. We answer questions based on these texts. We have also been completing a 10 minute reading comprehension test each morning during registration.

## Uniform

Please ensure children are wearing the correct shorts for PE - leggings and cycling shorts should not be worn. From next week, children will be provided with a different pair of shorts if they come in wearing these.
