Lent Activities

This week, we have taken part on Reconciliation. Father Julian came to our school. This sacrament is especially important during Lent so that we can reconcile our relationship with God. We also attended Lenten Mass at St Augustine's Church.

Music

We continued our new topic of WWII. We focused on melodies.

Other Homework:

TTRS

Daily Reading

Atom Prime

Year 6

Spring Term 2

20.03.2026

Science

This week, we continued our topic of Evolution and Inheritance. We looked at Charles Darwin's theory of evolution. We investigated his theory about birds having different beak sizes depending on the size of the food they eat.

Guided Reading

This week, we a range of text types focusing on Jewish festivals and holidays. We used echo reading and answered questions relating to vocabulary, retrieval and inference.

Golden Book

Amelia

PSHE /RSE

We continued our unit 'Healthy Me'. We learnt about exploitation and listened to a scenario. We thought about how this scenario could have been different if the person said no.

RE Workshop

We were lucky enough to have a visit from Ruth. We tried on Jewish clothing, learnt about festivals and explored significant objects.

Geography

This week, we learnt about the key features of rivers. We learnt about the different features that can be found in the lower, middle and upper course. We then created a model river and labelled the different features in groups.

RE

This week, we have focused on Judaism. Our focus was on Yom Kippur. We looked at what Yom Kippur was and the key practices. We then thought about reflecting and asking for forgiveness. We linked this with our faith and the Sacrament of Reconciliation.

Computing

We continued our focus on Spreadsheets.

PE

Gymnastics and Netball
