

English

In English this week the children have been revising prepositions. They have been actively improving their vocabulary and writing paragraphs independently.

Maths

This week in maths the children have continued learning about Place Value and have now begun ordering and rounding numbers to the nearest 10, 100 and 1,000. They have been working hard to consolidate their Place Value knowledge.

Spellings and Homework

Read daily. Atom weekly homework daily Rockstars.

Plurals:

Boxes, libraries, centuries, matches, fruits, melodies, activities, colonies, opportunities, enemies, volcanoes, theories, echoes, statements, responsibilities.

Science

In Science this week the children have been learning about pre-natal growth. They have learnt about how an embryo becomes a foetus and at which stage. We looked at different fruits to compare the size of growth at key stages in development.

Year 5

Autumn Term

18.09.2026

I recommend having a look at BBC Bitesize Spelling. There are games to play to help the children practice spelling and revise the spelling rules.

Golden Book:

Aaron

PSHE

The children learnt about refugees and how we look after and help those in need.

Guided Reading

In Guided Reading this week the children have begun to develop their oracy skills and have been able to discuss a text in a structured way using a range of formal sentence starters. They have answered questions on David Hockney, thus supporting them in their Art topic

Art

This week in Art the children have completed a self-portrait in charcoal. They have built upon their previous weeks drawing adding tone and improving proportion.

RE

The children have been learning about the different Covenants that God created. From Moses to Jesus, the children have studied what each one meant and the impact they have had. They discussed and debated which Covenant was the most important and why using scripture to support their ideas.

Class Books

The World of Unknown Monsters
Mythical Beasts & Magical Creatures

Geography

This week the children started their Marvellous Maps project. They looked at maps and learnt how to locate a place and identify a river or estuary.
