

English

This week we have continued with our story - The Night of the Gargoyles. We have edited and improved our narratives and have created our own final drafts using cursive writing.

Maths

This week we continued learning about place value. We have calculated using negative numbers and rounding. We answered fluency and reasoning questions in relation to these topics.

Other Homework:
TTRS
Daily Reading

Science

This week, we investigated refraction.

Music

We have began our topic of Electricity

Year 6

Autumn Term

2.10.26

Bikeability

Year 6 have also enjoyed taking part in Bikeability, developing their cycling skills, learning how to stay safe on the roads and gaining the confidence to become responsible, independent cyclists.

Guided Reading

We have been reading and answering questions about our new class book 'Letters from the Lighthouse' by Emma Carroll. We have also read poetry and non-fiction texts linked to other subjects: Rationing (History), Role of Women (History), High Flight (History)

Golden Book

Luca

PSHE /RSE

This week we learnt that all of our actions have consequences both for ourselves and for other people.

Computing

This week we looked at Networks.

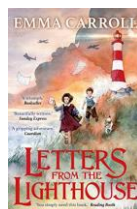

History

This week we learnt about rationing. We looked at propaganda posters and baked Rock Cakes that were a government advertised recipe during wartime.

RE

This week we focused on St Francis of Assisi and the value of humility. We created stained glass window art to reflect this.

Next week...

PE

Hockey and Badminton
