

English

The children have begun looking at the use of figurative language and the impact it has upon the reader. By identifying and understanding the use of similes and personification the children will be well placed to include them effectively in their writing. Choosing appropriate grammar is an area the children have also been examining.

Science

In Science this week the children have completed their project by studying the timeline of human and animal growth. A short assessment has also taken place.

Computing

Understanding how computer networks and search engines work are what the children have been focussing on this week.

RE

This week in RE the children have been describing what a virtue is and explaining their importance in having a good life. They have also learnt how to grow a good virtue and becoming a better neighbour.

Maths

This week the children have been applying their rounding knowledge to decimals and learning how to round decimals to the nearest whole number. In addition to this the children have completed their usual reasoning and arithmetic assessment papers.

Year 5

Autumn Term

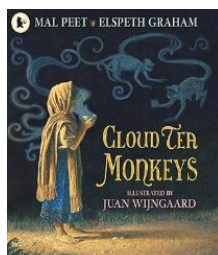

17.10.2025

Guided Reading

The children have been given a different role this week within the reciprocal reading format (predictor, clarifier, summariser, leader, and questioner). Confidence and understanding of the texts are growing and the children have enjoyed sifting through the text and writing their own questions.

Class Books

Spellings and Homework:

Read daily, Atom weekly homework, daily Rockstars.

forgetting, beginning, limiting, gardening, following, happening, travelling, preferring, referring, offering, occurring, regretting, transferring, determined, equipped, attached.

I recommend having a look at BBC Bitesize, Spelling. There are games to play to help the children practice spelling and revise the spelling rules.

Golden Book:

Honey-Mae

Geography

In Geography this week the children have planned a journey and a route using the map skills they have been consolidating over the half term.

Art

The children completed their Art project this week. They have painted their clay mask sculptures and reviewed and critiqued their entire project.
