# Rapunzel

Once upon a time, a man and his wife lived in a house next door to a witch. The wife wanted to eat the plants from the witch's garden. The man decided to steal some of the plants for his wife.

The witch saw him stealing. She told the man that he had to give her their baby. The man was scared so he agreed. The witch took their little girl away and called her Rapunzel.

The witch locked Rapunzel away in a tower in the middle of the forest. Rapunzel's golden hair grew longer and longer. The witch climbed up Rapunzel's hair.

A prince saw the witch climb the tower. He climbed up the tower using Rapunzel's hair. He visited Rapunzel every day. The witch found out and she was very angry.

The witch cut Rapunzel's hair and sent her into the forest. She tricked the prince and threw him out of the tower. The prince fell on some thorns. This made him blind. He walked around the forest for a long time.

The prince heard Rapunzel singing in the forest. Rapunzel saw the prince and she cried happy tears. Her tears touched his eyes and he could see again.

They lived happily ever after in his kingdom.
