Nursery

Autumn Term

25.09.26

Literacy

We have been learning about how to handle books carefully and correctly this week.

Mathematics

Can you spot any number 1s?

Fine Motor Skills

The children have been using their fingers to pull elastics.

If you want to make your own playdough and need a recipe, please let us know. Playdough is a great way to build muscles in the hands and fingers.

Communication and Language

The children have really enjoyed singing nursery rhymes. The week's favourite is "5 Little Men in a Flying Saucer".

Personal Social Emotional Development

We have talked a lot about kind hands and feet this week. What can hands do? Eat, draw, hold hands, etc and what they can't do such as hit, touch others, poke, etc.

RE

We have talked about our families and how they are all different but all just as important. We have also discussed how we are all part of God's family.

Physical Development

We've been practising our jumping: 2 feet, one foot, big jumps, long jumps, etc.

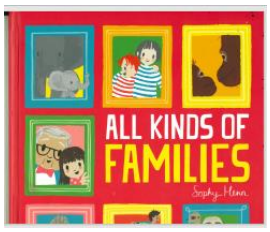

Understanding the World

It's Autumn! If you are out and about in the coming days/weeks and find some Autumn treasures such as conkers, acorns, colourful leaves, please bring them in!

Expressive Arts and Design

The children have been practising their fine motor skills by sticking stickers on the first name of their name. A great way to start recognising their name.

Class Book

Linking to our All About Me topic and our RE, our book of the week is All Kinds of Families by Sophy Henn.

Parent Information

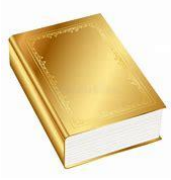

We will be making a fruit salad next week. If your child has any fruit allergies or intolerances, please let us know. Please also let us know if you would prefer that your child not participate.

Thank you for the tissue donations. They are very much in demand at this time of year! We will never say no to a box of tissues.

Library Books

The children were able to choose a book from our school library on Friday. Please bring back the book every Friday so your child can choose a new one.

The Gold Book

Luca B.

for his growing confidence in Nursery.
