Nursery

Autumn Term

02.10.26

Literacy

We have been singing a lot of numerical nursery rhymes this week. A big hit was "Zoom Zoom Zoom"

Communication and Language

We have been learning new vocabulary associated with the season of Autumn such as the colours, weather, etc.

RE

This week, we reminded ourselves how God made us and we are part of his family. We talked about how we should care for ourselves and others. The children did a great job making a fruit salad for snack!

Understanding the World

St Francis of Assisi Feast Day

As part of the celebrations for this feast day, children made their very own Bird Feeder to hang in an outside space.

Parent Information

RE Homework:

We have been learning about Creation this half term. To link in to this, please can you go on an Awe and Wonder walk either in your garden or local park and find some natural elements to create a picture with (please see the Creation Art pdf for inspiration). You can either email in a photo of your young artist's work or bring in a real photo. Homework is due in on Monday 19th October.

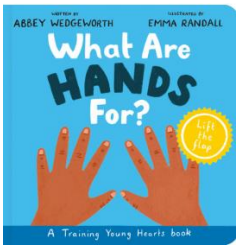

Mathematics

We have been looking at numbers 1,2,3. Can you help your child spot numbers when you are out and about?

Personal Social Emotional Development

The children did a great job telling me what their hands can do and should do before reading a lovely story called "What are Hands for?

Class Book

Linked to our PSED, we read a lovely book called "What are hands for?" by Abby Wedgeworth.

Library Books

The children were able to choose a book from our school library on Friday. Please bring back the book every Friday so your child can choose a new one.

Fine Motor Skills

The children used their fingers to make finger stamps this week.

Another easy idea for home is tearing old paper (newspaper, packing paper, etc.) You can show your child how to pinch the paper at the top and tear down, not just pull it until it rips!

Physical Development

We got the parachute out this week. The children loved making it go up and down!

Expressive Arts and Design

We have been practising our snipping and cutting skills this week. The children snipped Autumn coloured paper to decorate leaves that are now dotted around our class.

The Gold Book

Lily

for her growing confidence in expressing herself.
