Nursery

Autumn Term

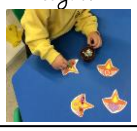

20.11.26

Literacy

To finish our exploration of "Goldilocks and the Three Bears", the children sequenced the story, retelling it as they put the pictures in the correct order.

Mathematics

The children counted out gems after recognising the number on the diya light.

Communication and Language

It was International Men's Day on Thursday. We celebrated by talking about the positive male influences in the children's lives.

Personal Social Emotional Development

It was anti-bullying week this week. We talked about what bullying is and what we can do if we are being being bullied or if we see bullying in our school.

Fine Motor Skills

The children decorated diya lamps with jewels, using their pincer grip to pick up the gems. They also made patterns on hands (Mendhi patterns).

RE

This week, we learned that Mary was chosen by God to be Jesus' mother. We listened to the story of how the angel Gabriel came to give her the good news and how she said yes.

Physical Development

We practised controlling our movements this week by playing freeze games and dances.

Understanding the World

We have been learning about Diwali. On Monday, we went to an assembly with the whole school lead by Tulsey who told us about her faith, and we learnt about Rama and Sita and why Diwali is called "The Festival of Lights."

Expressive Arts and Design

We have been very busy this week. The children made a "Mary" by folding paper, and they also made a diya lamp.

Class Book

This week's book is "The Story of Rama and Sita" (Diwali)

Parent Information

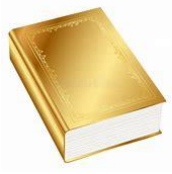

Don't forget that Friday 27th November is Occasional Day so Nursery and school will be shut.

Thank you for the flour and salt donations. They are very much appreciated, and we are always happy for more.

Library Books

The children were able to choose a book from our school library on Friday. Please bring back the book every Friday so your child can choose a new one.

The Gold Book

Ariella

for doing so much better at lunchtime.
