

St. Augustine's Catholic Primary School Hoddesdon

Handwriting Policy

January 2024

Renewal: January 2025

MISSION STATEMENT

*We come to school to live and learn happily together
by loving ourselves and each other as Jesus teaches us.*

Values:

We believe that the purpose of St Augustine's Catholic Primary school is to:

- help pupils to live and learn in a Catholic Christian environment leading to acceptance and respect of others in a diverse school community and wider world
- provide an environment in which high expectations will lead to a striving for excellence in all areas of school life
- educate and develop each member of the school community by building on their strengths and supporting their weaknesses
- foster purposeful relationships with those who learn in, work in and visit our school where diverse views and backgrounds are respected

Policy Review

This policy will be reviewed in full by the Governing Body annually.

The policy was last reviewed and agreed by the Governing Body in January 2017.

It is due for review on January 2018.

Handwriting Policy

Here at St. Augustine's Catholic Primary School we are very proud of our pupil's handwriting and take particular care in our cursive/joined-up handwriting style. We use Letter-join as the basis of our handwriting policy that covers all the requirements of the 2014 National Curriculum: 'Writing...depends of fluent, legible and, eventually, speedy handwriting.'

Handwriting is a basic skill that influences the quality of work throughout the curriculum. At the end of Year 1 pupils should be taught to:

- Sit correctly at a table, holding a pencil comfortable and correctly
- Begin to form lower-case letters in the correct direction, starting and finishing in the right place
- Form capital letters
- Form digits 0-9
- Understand which letters belong to which handwriting 'families' (i.e. letters that are formed in similar ways) and practise these.

At the end of Key Stage 1 pupils should be taught to:

- Form lower-case letters of the correct size relative to one another
- Start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left unjoined
- Write capital letters and digits of the correct size, orientation and relationship to one another and to lower-case letters

- Use spacing between words that reflects the size of the letters.
- Write with a joined style as soon as they can form letters securely with the correct orientation.

At the end of Key Stage 2 all pupils should have the ability to produce fluent, legible and, eventually, speedy joined-up handwriting, and to understand the different forms of handwriting used for different purposes.

We aim to make handwriting an automatic process that does not interfere with creative and mental thinking.

As a catalyst to speedy handwriting we encourage parents and carers to use the Letter-join resources at home.

School aims

We aim for our pupils to develop a neat, legible, speedy handwriting style using continuous cursive letters that leads to producing letters and words automatically in independent writing.

By the end of Year 6 pupils will understand the importance of neat presentation and the need for different letterforms (cursive, printed or capital letters) to help communicate meaning clearly.

Method

Our teachers are encouraged to use neat, joined-up cursive writing for all handwriting tasks including report writing (when not word-processed), marking and comments.

Consistency throughout the school

Pupils should experience coherence and continuity in the learning and teaching of handwriting across all school years and be encouraged to take pride in the presentation of their work. Our aim is to help pupils enjoy learning and developing their handwriting with a sense of achievement and pride.

Handwriting frequency

Handwriting is a cross-curriculum task and will be taken into consideration during all lessons. Formal teaching of handwriting is to be carried out regularly and systematically to ensure Key Stage targets are met.

FOUNDATION:

For our youngest pupils we aim for two to three weekly sessions totalling 30 to 45 minutes that will include the following;

- Movements to enhance gross motor skills such as air-writing, pattern making, dancing.
- Exercises to develop fine motor skills such as making marks on paper, whiteboards, blackboards, sand trays, iPads and tablets.
- Letter learning to familiarise letter shapes, formation and vocabulary.

YEARS 1 TO 3:

Tuition will continue with two or three weekly sessions totalling 30 to 45 minutes covering:

- Gross and fine motor skills exercises.
- Cursive handwriting reinforcement, learning and practice.
- Numerals, capitals and printed letters: where and when to use, learning and practice.

YEARS 4 TO 6:

More advanced handwriting techniques will be taught during two or three weekly sessions totalling 30 to 45 minutes teaching:

- Cursive handwriting re-enforcement.
- Form-filling/labelling using printed and capital letters.
- Dictation exercises to teach the need for quick notes and speedy handwriting

Correct posture and pencil grip for handwriting

Pupils should be taught to sit correctly at a table, holding a pencil comfortably and correctly.

SITTING POSITION

Paper position for right-handed children

THE TRIPOD PENCIL GRIP

Both right and left handed children should be encouraged to use the tripod grip which allows the pen/pencil to be held securely whilst allowing controlled movements of the pen/pencil nib.

1

1) Grip the pencil with your index finger and thumb with the nib pointing away.

2

2) With your free hand, spin the pencil from underneath.

3

3) Use your middle finger to support the underside of the pencil.

LEFT-HANDED CHILDREN

Left-handed children may find it difficult to follow right-handed teachers as they demonstrate letter formation (and vice versa). Teachers should demonstrate to left-handers on an individual or group basis.

- Left-handed pupils should sit to the left of a right-handed child so that they are not competing for space.
- Pupils should position the paper/book to their left side and slanted, as shown.
- Pencils should not be held too close to the point as this can interrupt pupils' line of vision.
- Extra practice with left-to-right exercises may be necessary before pupils write left-to-right automatically.

Paper position for left-handed children

INCLUSION

Children whose handwriting is limited by problems with fine motor skills, including left-handed children, and children with special educational needs, will be given one-to-one tuition to help achieve their optimum handwriting level.

PENS AND PENCILS

Children are encouraged to start handwriting using a soft pencil. When fine motor skills have been established a handwriting pen can be used. More competent pupils can use a ballpoint pen.

Key Stage Teaching

FOUNDATION

- Sit in the correct position and hold a pencil correctly to allow fluid movement of the nib.
- Improve fine and gross motor skills by enjoying drawing pre-cursive patterns in a variety of writing materials such as modelling clay, air writing, sand trays, felt pens, crayons, pencils, IWB, iPads/tablets.
- Understand the language need to describe pencil movements in

RECEPTION

- Hold a pencil in an effective manner for writing and be encouraged to correct any errors in grip or stature.
- Understand that letters are written on a base line and that all cursive letters 'start on the line' and 'end with a hook'.
- Begin to form some recognisable joined-up cursive letters, capital letters and numerals.
- Have an understanding of writing their own name.
- Understanding different shaped letter families.

Key Stage Teaching

KEY STAGE 1

- Write legibly using upper and lower case letters with correct joins.
- Ensure that letters sit on the base line and are consistent in size with ascenders and descenders that are the correct length and formation.
- Leave the correct space between words.
- Form capital letters and use where appropriate.
- Form numerals that are consistent in size and sit on the base line.
- Begin to form printed letters and understand when they are to be used.
- Improve the speed of writing and begin to write automatically so promoting creativity in independent writing.

Dictation Exercises

Easy practice	Harder exercises	More challenging
A selection of CVC words, a list of numbers and an easy poem.	A list of phrases, easy sums and a three-verse poem.	Shopping list, complex numbers and a written passage.

Name: _____ Date: _____

Parts of a Flower

Put the labels into the correct places:

1. Stigma	3. Ovary	5. Pollen tube	7. Anther	9. Petal
2. Style	4. Ovule	6. Receptacle	8. Filament	10. Sepal

KEY STAGE 2

Improve quality, speed and stamina of handwriting.

- **Quality:** Ensure letters are consistently sized with equal word spacing and that ascenders and descenders are parallel and do not touch words on the lines above and below.
- **Speed:** Improve speed of handwriting to allow creative writing to take precedence over the task of handwriting and be able to take 'quick notes' at a faster pace.
- **Stamina:** Have the strength and mobility to be able to write for longer periods of time without fatigue.

Have full knowledge and ability of the different forms of handwriting for different purposes:

- Neat, joined, cursive letters for writing passages and large amounts of text, lists and letters.
- Printed or capital letters for posters, notices, headings, labelling, and form filling.
- Speedy handwriting for note-taking and dictation where neatness is not as important and shortcuts, such as + instead of 'and', can be used.

Letter-join

An easy poem

Firstly, listen to the poem at normal speed:
 Click on the play button to start.

Secondly, listen to the poem a line at a time, pausing if necessary. Write down what you hear leaving gaps if you miss anything.

Thirdly, listen to the poem again at normal speed and fill in any gaps you have left.

Finally, click 'Join' to see the written text.

I can eat a bun!

I can eat a bun.
 But it in my tum.
 Open up the top.
 Sip on my pop.
