

English

This week we have continued with our story - The Night of the Gargoyles. We have written our own alternate versions of the story. We have focused on creating suspense and tension through our word choice and sentence structure.

Science

This week, we investigated refraction. We conducted experiments to see the bending of the light ray.

European Day of Languages On Thursday we celebrated the European Day of Languages. Year 6 were quick to identify the Spanish flag in the classroom. We looked at different words that the English language has 'borrowed' and played a quiz to identify different European countries from their language. We also discussed all the languages we are able to speak in Year 6!

PSHE /RSE

This week we learnt about disagreeing. We learnt that it is okay to disagree but it is how you share your opinion, which is important.

Computing

This week we coded and debugged our own algorithms to create a dance.

RE

This week we looked at creation as the first source of revelation.

Maths

This week we continued learning about place value. We have calculated using negative numbers. We have also looked at lots of questions that related to the real world such as temperature and bank accounts.

Music

We have began our topic of Happy.

Year 6

Autumn Term

26.9.24

Guided Reading

We have been reading and answering questions about our new class book 'Letters from the Lighthouse' by Emma Carroll. We have also read one non-fiction text linked to other subjects: Evacuation (History).

Next week...
