**Parent RSE Consultation Letter – Primary Schools in England**

In 2020, Relationships Education and Health Education became statutory for all primary schools in England.

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The education of children in human sexuality is an important, precious and privileged responsibility. The Church teaches us that this is very much a partnership with parents, in which parents are the 'first educators' of their children on these matters; ultimately, you confer on us the right to co-educate your children with you.

We have been researching various programmes that are available and have decided to adopt **Life to the Full** by Ten Ten Resources. Ten Ten Resources is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work.

**Life to the Full** has been approved by our diocese. Furthermore, Ten Ten Resources have entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the RHE statutory curriculum. Therefore, we are confident that this programme is a very good fit for our school.

Through their programme, Ten Ten Resources understand the foundational role that parents have in educating and nurturing their children on these matters. Within the programme, they have built in resources which will not only keep you informed about what is being taught in school, but will also give you the opportunity to engage your children in discussion, activity and prayer.

We would like to have your feedback on our approach, and particularly on the key decisions that we need to take regarding the teaching of certain topics. To this end, we have opened a consultation period during which we welcome your feedback.
