

English

This week we researched, planned, drafted and edited our own non-chronological reports based on a made-up planet. We then started our new topic focusing on the book 'Wisp A Story of Hope'.

Science

This week, we learned that there are over ten million species and that taxonomists classify them. We made our own classification keys.

Parliament Week

This week has been Parliament week where the local MP for the borough of Broxbourne - Lewis Cocking made a visit. To celebrate, we learnt about what Parliament is and key facts. We learnt who the Prime Minister is and about the role.

PSHE /RSE

This week we learnt key facts about Parliament.

Computing

This week we started our new topic using Scratch. We used the functions to create an algorithm.

RE

This week, we focused on Catholic Social Teaching. We focused on Preferential Option for the Poor. We learnt that the start of Advent will commence the Jubilee Year. The key theme Pope Francis will set out will be hope. We discussed what this meant in relation to Preferential Option for the Poor. We also looked at a sculpture of homeless Jesus and what this represents.

Maths

This week we learned to use efficient mental strategies to add, subtract, multiply and divide. These strategies included place value, partitioning, doubling and halving, equal sum and equal difference.

Music

We have began our topic of Classroom Jazz. We listened and appriased our new song.

Year 6

Autumn Term 2

8.11.2024

Guided Reading

We have been reading and answering questions about our new class book 'Letters from the Lighthouse' by Emma Carroll. We have also read non-fiction texts linked to history.
