

## English

This week we continued our focus on narrative writing based on the book 'Wisp: A story of hope'. We have written free-form poems, role played being Idris and looked at the rules of dialogue.

## Science

This week, we learned about Carl Linnaeus' classification system. We classified animals using this system.

## Class Assembly

We performed our Remembrance Assembly this week in front of the school and our parents. We told them all about what we have learnt in our topic of World War II and how important remembrance is. We said prayers to explain the importance of unity and mutual respect across all nations.

## PSHE/RSE

This week has been Anti Bullying week. In class, we have been looking at what bullying is and discussed different ways to resolve conflict.

## Computing

We used Word to create posters. We learnt how to format a picture.

## RE

This week, we learnt about Advent. We discussed what Advent is, the symbols and how Catholics act during this period. We also looked at who Luke was. We did this because the start of Advent will mark the start of Year C when we learn about the Gospel of Luke.

## Maths

This week, we solved problems using efficient mental strategies. These strategies included place value, partitioning, doubling, and halving, equal sum and equal difference.

## Music

We have began our topic of Classroom Jazz. We listened and appriased our new song.

## Year 6

### Autumn Term 2

15.11.2024

## Guided Reading

We have been reading and answering questions about our new class book 'Letters from the Lighthouse' by Emma Carroll. We have also read non-fiction texts linked to history.

## RE Homework

Create a picture or model representing the Birth of Jesus as told by the Gospel of Luke. Due date: Friday 6<sup>th</sup> December
