

English

This week we finished our unit on persuasion. We created our final draft for our speeches about what we would like to banish from the world. We then used intonation and expression and read our speech to the class.

Science

This week, we started our new unit Animals Including Humans. We created a giant heart and replicated how blood is transported. .

Pilgrims of Hope

The Pope announced on Christmas Eve that this year would be a Jubilee Year. The theme for this year is 'Pilgrims of Hope'. This is a very special year for our faith because Jubilee Years only happen every 25 years.

PSHE/RSE

We started our new unit 'Dreams and Goals'. We thought about why it is important to set personal goals. We then set our own goals.

Computing

We started our new unit 'Know your Network'.

RE

This week, we attended Mass to celebrate Epiphany. We learnt about Solidarity and Peace in our Catholic Social Teaching Lesson. We also completed lots of activities relating to the theme hope. .

Maths

This week, we have focused on comparing and ordering fractions with different denominators. We have also solved fractions of amounts.

Music

We have started our new unit Garage Band.

Year 6

Spring Term 1

10.1.2025

Guided Reading

This week we have read and answered questions about The Maya Creation Story which links with our History topic. We also read and answered questions based on the fiction text 'Anna and the doll'.

RE Homework

Spellings and Homework- 'Vowel suffixes'

1. Deign
2. Feign
3. Reign
4. Rein

8. Neigh
9. Eight
10. Freight

Look up the meaning as well as learning the spellings.

Other Homework:

TTRS
Daily Reading
Homework set on Teams

Golden Book

Maya

History

We started our unit based on the Ancient Mayas. We focused, this week, on locating where the Maya civilisation was, when it happened and what made these people special.
