

Diocese of Westminster

EDUCATION SERVICE

8 March 2022

Dear Mrs Napier,

Congratulations to you, the governors and all of the staff and pupils of St Augustine's on a successful inspection.

The report highlights the hard work undertaken to ensure teaching engages pupils in their learning in Religious Education. Pupils clearly enjoy an RE curriculum that is creative and enriched through the medium of art which is then displayed around the School. I was delighted to read that scripture is widely used in lessons and that pupils are adept at using their Bibles. This skill will undoubtedly serve them well as they progress through the key stages. You and your team have developed a reflective, worshipping Catholic community where the richness and breadth of the Catholic tradition is experienced. The clear partnership between the school and parish is a real strength of the School and allows for the Church's mission in education to be carried out fully. The sense of community shared by all members of St Augustine's will continue to serve them well at secondary school and on their journey of discipleship for life.

As always it is the quality of leadership, the vision and inspiration of the head and her leadership team, together with governors, that enables a school to ensure pupils receive the best quality of Catholic education.

The report has now been published on the Diocesan website; it is therefore ready for you to share with parents and to publish on your website.

I have attached a monitoring form for you to complete and return to me. We want to improve the quality of what we do and any further reflections on the process will help us with that. Thank you in advance.

Kind regards,

Nancy Conoboy
