

Saint Augustine's Catholic Primary School

Executive Headteacher: Mrs J Walsh

"We come to school to live and learn happily together by loving ourselves and each other as Jesus teaches us"

25th May 2025

Dear Parents,

In Year 3, we are planning a school trip to **Barclay Park** on **Wednesday 9th July**. As part of this topic – our local area, we will begin by looking at who Robert Barclay was. We will be using our mapping skills to plan the route to the park.

We will also be making links to PSHE by talking about road safety and how to be safe around water before we leave.

Once there, we have planned 11 different stations with different activities, all which link to their prior learning. These will range from geographical map and compass skills, plant and tree identification, choreography and artistic creativity.

It will be a great opportunity to take the time to look and learn from nature and appreciate the open spaces that we have access to.

We will be encouraging the children to communicate, listen and make decisions as a group, and there will be prizes awarded based on which group is the most successful.

The cost of this trip will be **£3** and this money will go towards a treat at the end of the activity. Please give consent and pay for this trip via Arbor under "trips." Payment and consent must be given by Friday 4th July 2025.

Please can you ensure that your child brings a hat and water bottle to school on this day. We shall be leaving after registration and returning to school in time for lunch so there will be no change to any usual drop off or pick up arrangements.

Kind regards

Mrs Hayward
