Friday 20<sup>th</sup> June 2025

Dear Year 6 Parents and Carers,

**Young Enterprise**

Now that SATs are behind us, I am excited to share that the children will be taking part in an engaging and educational project: the Young Enterprise project – The £5 project (the school will be providing each child with £5).

This initiative is designed to give pupils a taste of the world of business and enterprise. Over the coming weeks, the children will explore a range of units that will introduce them to key concepts such as what enterprise means, as well as design, marketing and budgeting. Through these activities, they will also develop the essential life skill of working effectively as part of a team.

The programme will culminate in a fantastic opportunity for the children to put their learning into practice: each group will run their own stall at the school's Summer Fayre on Saturday 28<sup>th</sup> June. This will be a chance for them to showcase their creativity, teamwork and entrepreneurial spirit.

I am looking forward to seeing the exciting ideas that the children come up with and hope that they will be able to attend the Summer Fayre.

Thank you for your continued support.

Yours sincerely,

**Mrs Baldwin**
