September 2020

Dear Parent/Guardian,

As you will be aware General Data Protection Regulations (GDPR) came into force in the UK on the 25th May 2018. These were new data protection regulations which build upon the Data Protection Act of 1998.

The GDPR require public authorities and businesses to identify the lawful basis for storing personal data, audit information we already hold and take a 'data protection by design and default' approach to personal data.

In line with GDPR requirements, we have a Data Protection Officer, Mrs M Stone, a School Governor, to oversee our approach to data management and protection. In order to ensure that we comply with these regulations, we will continue to review our current policies and practices. We have updated our privacy notices in line with the new requirements. These can be found on the school website under the parent section, 'GDPR' tab. To learn more about the General Data Protection Regulation, please visit the Information Commissioner's Office website on <http://ico.org.uk>.

Yours sincerely

Mrs G. Napier
